Dear Ms. Best:

This letter constitutes the National Science Foundation's (NSF) response to the September 28, 2018, National Archives and Records Administration (NARA) Freedom of Information Act (FOIA) referral (NARA-NGC-2018-000692 and NGC 18-367). In processing your request for "[c]opies of all drafted, submitted or received SF-716 forms produced from January 1, 2001 through December 31, 2017," NARA located 38 pages of responsive records that originated with NSF. As required by standard procedures, NARA referred these records to NSF for direct release to you.

After conducting a foreseeable harm review, NSF has determined that the responsive records may be released in their entirety. Please find enclosed a copy of the 38 pages of responsive records located by NARA. There is no fee for FOIA services in this instance in accordance with 5 U.S.C. § 552(a)(4)(A)(i) et seq. Thank you for your interest in the National Science Foundation.

Sincerely,

Justin Guz  
Government Information Specialist
